

Reward and Incentive Destination Southern Ocean Lodge, Kangaroo Island

Destination

Widely acclaimed as Australia's Galapagos, Kangaroo Island is home to an abundance of native wildlife and spectacular natural attractions. Covering almost 4,500 square kilometres it is Australia's third largest island and offers the best of the mainland on a smaller, more intimate scale. With more than one third of the island declared as Conservation or National Park, visitors readily come face-to-face with prolific bird and animal species such as New Zealand fur seals, koalas, kangaroos and much, much more. Flanked by the indomitable Southern Ocean, dramatic coastal vistas and sculptured landscapes lay unspoiled by development and riddled with sheer limestone cliffs, sheltered coves, rocky headlands and deserted stretches of sugar-white sand.

Southern Ocean Lodge aims to provide an iconic accommodation experience on Kangaroo Island and is designed to be a sanctuary of comfort, style and personal intimacy, redefining the Australian standard. Set back from a cliff above the pounding surf the sensitive design showcases a full frontal panorama and is within easy reach of all of Kangaroo Island's major attractions. Modern luxury and design integrity meld with Kangaroo island vernacular and an amazing coastal colour palette, creating a unique eco chic style.
